Adrenalectomy, Bilateral, Effect of, on the Blood Pressure of Rats with Spontaneous Inherited Hypertension, by J. Nolla-Panades and F. H. Smirk .....	320	Arginine Glutamate, The Effect of, on Elevated Blood Ammonia Levels in Chronic Liver Disease, by M. G. Davey .....	72	Calcification, Radiologically Demonstrable Arterial (see also Diabetes Mellitus).		Davey, M. G.—	207	Eccles, J. C.—The Controls of Sensory Communication to the Brain .....	102
Aitken, R.—A Constant Golden Thread .....	279	Aspirin and Phenacetin, The Effect of, on Ascending Infection in the Rat Kidney, by J. K. Dawborn, P. Kincaid-Smith and J. McLaren .....	217	Case Report—(Continued)		(See Lander, H.) .....	207	Editorial—	
Aldosterone (see also Angiotensin).		Argiookeratoma Corporis Diffusum (Fabry's Syndrome), by D. J. Fone and W. E. King .....	339	Histiocytic Medullary Reticulosis: A Case Report, by J. Hirsh, B. Ungar, W. E. King and T. R. Lubbe .....	269	Basic Sciences, The, in Medicine, by E. S. J. King .....	99		
Allsop, J. L., Goulston, Johnston, Kelly and Rail—Familial Hyperkalaemic Periodic Paralysis	55	Ammonia Levels, Blood, Elevated (see also Arginine Glutamate).		Macrocytic, Non-Megaloblastic, Folic-Acid-Responsive Anaemias of Childhood, by V. A. Lovric .....	251	Constant Golden Thread, A, by R. Aitken .....	279		
Anæmia (see also Pregnancy).		Anæmias of Childhood, Macrocytic, Non-Megaloblastic, Folic Acid Responsive, by V. A. Lovric .....	251	Num Custos Fratris Mei Sum Ego? by J. J. Billings .....	193	Thinking and Remembering, by E. Graeme Robertson .....	1		
Anderson, R. McD. (see Szego, G.) .....	114	Angiotensin, Electrolytes and Aldosterone, by D. A. Denton .....	121	Normal and Abnormal Sibs with a Familial Chromosomal Translocation, by D. Pitt, J. Ferguson and A. G. Baikie .....	178				
Angiokeratoma (see Szego, G.) .....	114	Appetite and the Many Obesities, by J. Mayer .....	282	Circulation, Peripheral, in Man, Some Aspects of the Control of the, by R. F. Whelan .....	349				
Angiotensin, Electrolytes and Aldosterone, by D. A. Denton .....	121	Ardlie, N. G., and Matz—Chronic Pneumonitis of the Cholesterol Type .....	265	Cirrhosis (see also Iron Absorption).					
Appetite and the Many Obesities, by J. Mayer .....	282	Arginine Glutamate, The Effect of, on Elevated Blood Ammonia Levels in Chronic Liver Disease, by M. G. Davey .....	72	Clark, F. J. (see Smith, W. G.) .....	40				
Ardlie, N. G., and Matz—Chronic Pneumonitis of the Cholesterol Type .....	265	Aspirin and Phenacetin, The Effect of, on Ascending Infection in the Rat Kidney, by J. K. Dawborn, P. Kincaid-Smith and J. McLaren .....	217	Clarke, P. (see Denborough, M. A.) .....	328				
Arginine Glutamate, The Effect of, on Elevated Blood Ammonia Levels in Chronic Liver Disease, by M. G. Davey .....	72	Aspergillosis, Broncho-Pulmonary, by J. B. Blackwell .....	49	Clubbing, Digital (see also Lung Disease).					
Aspirin and Phenacetin, The Effect of, on Ascending Infection in the Rat Kidney, by J. K. Dawborn, P. Kincaid-Smith and J. McLaren .....	217	Aspergillosis, Broncho-Pulmonary, by J. B. Blackwell .....	49	Cryptococcosis (Torulosis)—Some Problems in Diagnosis and Management, by J. B. Hickie and T. Walker .....	229				
Aspirin and Phenacetin, The Effect of, on Ascending Infection in the Rat Kidney, by J. K. Dawborn, P. Kincaid-Smith and J. McLaren .....	217	Aspergillosis, Broncho-Pulmonary, by J. B. Blackwell .....	49	Curtain, C. C.—Immuno-Cytochemical Localization of Two Abnormal Serum Globulins in the One Bone-Marrow Smear .....	136				
Bauer, G. E.—Bundle Branch Block: Some Usual and Some Unusual Features .....	178	Argiookeratoma Corporis Diffusum (Fabry's Syndrome), by D. J. Fone and W. E. King .....	339	Cyttoplasmic Budding of Human Lymphocytes due to Ionizing Radiation, by D. O. Shiels .....	247				
Behaviour (see also Platelets).	62	Argiookeratoma Corporis Diffusum (Fabry's Syndrome), by D. J. Fone and W. E. King .....	339	<b>D</b>					
Biggs, J. C. (see Davis, A. E.) .....	201	Arginine Glutamate, The Effect of, on Elevated Blood Ammonia Levels in Chronic Liver Disease, by M. G. Davey .....	72						
Billings, J. J.—Num Custos Fratris Mei Sum Ego?	193	Aspirin and Phenacetin, The Effect of, on Ascending Infection in the Rat Kidney, by J. K. Dawborn, P. Kincaid-Smith and J. McLaren .....	217	Davey, M. G.—					
Blackwell, J. B.—Broncho-Pulmonary Aspergillosis .....	49	Aspergillosis, Broncho-Pulmonary, by J. B. Blackwell .....	49	(See Lander, H.) .....	207				
Bleeding Disorders, Hereditary, in Western Australia, by J. H. Robertson .....	143	Argiookeratoma Corporis Diffusum (Fabry's Syndrome), by D. J. Fone and W. E. King .....	339	Effect, The, of Arginine Glutamate on Elevated Blood Ammonia Levels in Chronic Liver Disease .....	72				
Brain, Sensory Communication to the, The Controls of, by J. C. Eccles .....	102	Argiookeratoma Corporis Diffusum (Fabry's Syndrome), by D. J. Fone and W. E. King .....	339	Davies, W. (see Taylor, K.) .....	240				
Bronchi, Mucoïd Impaction of the, by W. G. Smith and F. J. Clark .....	40	Argiookeratoma Corporis Diffusum (Fabry's Syndrome), by D. J. Fone and W. E. King .....	339	Davis, A. E., and Biggs—Iron Absorption in Haemochromatosis and Cirrhosis of the Liver .....	201				
Bundle Branch Block: Some Usual and Some Unusual Features, by G. E. Bauer .....	62	Argiookeratoma Corporis Diffusum (Fabry's Syndrome), by D. J. Fone and W. E. King .....	339	Dawborn, J. K., Kincaid-Smith and McLaren—The Effect of Aspirin and Phenacetin on Ascending Infection in the Rat Kidney .....	217				
Burnet, F. M. (see Mackay, I. R.) .....	5	Argiookeratoma Corporis Diffusum (Fabry's Syndrome), by D. J. Fone and W. E. King .....	339	Denborough, M. A., Clarke and Paterson—A Family Study of Ischaemic Heart Disease .....	328				
<b>C</b>		Argiookeratoma Corporis Diffusum (Fabry's Syndrome), by D. J. Fone and W. E. King .....	339	Denton, D. A.—Angiotensin, Electrolytes and Aldosterone .....	121				
Calcification, Radiologically Demonstrable Arterial (see also Diabetes Mellitus).		Argiookeratoma Corporis Diffusum (Fabry's Syndrome), by D. J. Fone and W. E. King .....	339	Diabetes Mellitus, Radiologically Demonstrable Arterial Calcification in, by T. M. Ferrier .....	222				
Carley, J. G. (see Doherty, R. L.) .....	322	Argiookeratoma Corporis Diffusum (Fabry's Syndrome), by D. J. Fone and W. E. King .....	339	Dodge, E. A.—The Use of the $I^{131}$ Hippuran Renogram in the Diagnosis of Renal Disease .....	15				
Case Report:		Argiookeratoma Corporis Diffusum (Fabry's Syndrome), by D. J. Fone and W. E. King .....	339	Doherty, R. L., Gorman, Whitehead and Carley—Studies of Epidemic Polyarthritides: The Significance of Three Group A Arboviruses Isolated from Mosquitoes in Queensland .....	322				
Chronic Pneumonitis of the Cholesterol Type, by N. G. Ardlie and L. R. Matz .....	265	Argiookeratoma Corporis Diffusum (Fabry's Syndrome), by D. J. Fone and W. E. King .....	339	<b>E</b>					
Fatal Cardiac Infarction Due to Platelet Thrombosis in an Eighteen-Year-Old Youth, by L. R. Matz, L. J. Wurfel and C. J. Schwartz .....	259	Argiookeratoma Corporis Diffusum (Fabry's Syndrome), by D. J. Fone and W. E. King .....	339	Eccles, J. C.—The Controls of Sensory Communication to the Brain .....	102
